Dear Dr. Arangote:

Greetings!

Launched in February 2014, Aklan Career Expo (ACE) has been running for five (5) years and has been adopted by colleges and State Universities as part of their week-long Career orientation activities before graduation. To date, the program has benefited thousands of graduating Senior High School and College students in Aklan.

For the year 2022, the program will incorporate a Job Fair-Trabaho, Negosyo, and Kabuhayan (TNK), in collaboration with the Aklan Provincial Public Employment Service Office (PESO). The two-day activity will also provide lectures on entrepreneurship, financial literacy, and updates on the programs and services of various national agencies involved in the employment/deployment of jobseekers, as well as their welfare and protection.

The Job Fair is targeted to provide thousands of job opportunities not only for fresh graduates but also for those seeking employment in other positions and abroad. The activity will adapt the Trabaho Negosyo Kabuhayan (TNK) concept in line with the Blueprint for Decent Employment and Entrepreneurship for 2017-2022 signed by the Department of Labor and Employment (DOLE) and the Department of Trade and Industry (DTI) on December 2, 2016.

In line with this, the undersigned would like to invite you or your representative to grace the said event on September 15, 2022, 9 AM, at ABL Sports Complex, Capitol, Kalibo, Aklan.

Thank you very much and we look forward to a fruitful collaboration with your agency.

Very truly yours,  
MARSH B. BERNABE
